Together We blossom into awesome...

Spring Growth

Letter from the Editor

My recovery reminds me of a lotus flower. It grows in muddy water and uses this environment to rise and bloom above the murk to reveal its beauty. Without OA I could have been easily consumed by my "muddy" past. Instead, with the tools, I surrendered to use what is worst about me as rich soil to bloom. ~ Rachael

GOD BOX IDEAS

Many OA members find it helpful to create a God box as a place to release thoughts, obsessions, or all matters to the care of a higher power.

Here are 3 ideas you've shared on what a God box looks like to you.

Let your imagination bring you to your hearts healing and create one made just for you and your higher power.

- 1. Use a crafting box or old jewelry box. Write thoughts on paper and drop it in the box!*
- 2. Set up a word document on your computer or cell phone that says, "GOD BOX". Write what you wish to release.*
- 3. Find a leaf to infuse your thought into and then hold it up to the wind and watch your HP take it away!*

Remember....What goes in the God Box stays in the God Box!

A PERSONAL SHARE

I wrote this letter to myself sometime in the past to help me stop compulsively eating. I would like to share it with you.

- Choose life, not food.
- Bingeing—*Stop!*
- You're worth more.
- It doesn't fix me—it makes me unhappy.
- It makes my life unmanageable.
- It messes up my life.
- It takes away my happiness.
- *Don't do it!*
- Bingeing takes away from me.
- It steals from me.
- It produces sadness, fatigue and confused thinking.
- *If you put rubbish in, you get rubbish out!*
- Concentrate on your relationship with manageability, with your feelings.
- If you indulge, it *will* take away your shine.
- Concentrate on what you're building; every time you say "no," you grow stronger and shinier.
- Bingeing and overeating steal from you.
- They take away recovery and replace it with *dis-ease*.
- Work through the feelings you have now, do your food plan, call your sponsor, read some OA literature, do your morning readings, call a newcomer and *pray* . . .
- Work through the sadness and unmanageability, stay focused, get back on track by reaching out, use the OA Fellowship and be honest.
- You are a compulsive overeater.
- Go through the darkness.
- It's not about weight.
- Realize freedom exists at the end of this difficult time.
- Go to any lengths to not binge or overeat.
- When the madness comes, read this: It gets worse.
- *The manageable life God has given you will slip away if you choose food. Choose life!! The cravings will pass.*

I can do this, one day at a time. Today I can abstain from compulsive overeating.
